

Looking for Rock Stars

The Highlander Curling Club in St. Andrews is inviting all future rock stars to attend our open house fun day on Sunday February 18th, you can drop in anytime between 10 AM to 2 PM. We hope that people are getting swept up in the excitement of curling on television with the Scotties Tournament of Hearts just finishing, the Olympics soon to be underway, the Brier competition ready to go and world championships to follow along with the recent success of our junior women curlers. We would like to introduce curling to any interested adult or child who would like to give it a try. This event is open to people of all skill levels including those who have limited or no curling experience. We will have an off ice curling simulation game called "Rocks and Rings" available to younger children but all children must be accompanied by an adult. Brooms and helmets for children will be provided, throwing sticks are available to try for those who have difficulty in kneeling, so all you need to bring is a clean pair of sneakers. We will explain some of the curling terms and demonstrate how to slide and deliver a rock with a proper rotation and speed, visitors may then play a mini game if time permits. For those who feel inspired to pursue the game, we have clinics on Friday mornings and a six week learn to curl program in the fall for which the registration cost will be deducted from any subsequent league fees. The Highlander is a volunteer based club that turned twenty five last year and home to a variety of leagues. Our league schedule runs as follows; Monday night -men, Tuesday night – women, Wednesday night – competitive , Thursday and Sunday nights – mixed, Tuesday and Thursday daytime – senior and juniors on Friday night Additional information on the club or the open house fun day may be found on our Facebook page or by emailing Kristaimaceachern@gmail.com So come out and give curling a try and have some fun, snacks will be available and guests will have a chance to win prizes including a free one year membership.
