A children's bulletin is posted each week for those with little ones who would be interested in checking it out .. the link is as follows: <https://thekidsbulletin.com/>

All notices must be received **no later than Thursdays at 1:00 p.m.** Any notices that come in after that time have no guarantee of being included in the weekend bulletin. Please contact Jolene at the office at 902-386-2810 between 1:00 p.m. and 4:00 p.m., Monday to Fridays or email jolene3catholic@gmail.com

We welcome back our youth & children from Grades 1-7 WITH one parent, guardian or grandparent to participate in a NEW format for our Catechism/Religion Classes! Every Wednesday Night (beginning SEPT. 23rd) 6:30 p.m. to 7:30 p.m. at Immaculate Conception Church in Heatherton. A Mass geared to families will be incorporated. Distancing and other COVID-19 protocols are in place.

***For our children who will be preparing for First Holy Communion: This is a required part of their program.**

The Tri-Parish Office is open in the afternoons but will be closed to the public until further notice. If you need to contact the office, Jolene can be reached at jolene3catholic@gmail.com or phone her between 1:00 p.m. and 4:00 p.m., Monday to Friday. No walk-in visitors are permitted at this time. Should you wish to drop-off or pick-up something in person, that is possible, **just ring the doorbell** which is located at the front entrance, and Jolene will answer. Pat can also be reached at her work email of pat3catholic@gmail.com You may also check our Facebook page at "Tri-Parish of Heatherton, Pomquet and St. Andrew's" or our webpage at www.triparishgrouping.ca

FOR THE TIME BEING, our priests no longer have access to patient lists. Please help us out: if you know someone in hospitals, nursing homes or at home who **requests a pastoral visit from Fr. Andrew, please phone, leave a message or send him an email** and he will get back to you right away. The hospitals have trained priests on the proper precautions and are happy to have a priest see patients there. However, the only way he'll know they have been admitted, is if you let him know. The person does not have to be in danger of death to receive the sacraments. They can receive them at any time. Also, if you would like us to pray for anyone who is sick or who has died recently, we will publish their names in our e-bulletin & our Facebook page, please email the office.

The Tri-Parish Office has a drop-off box for envelopes which is located outside the main door of the Heatherton Community Centre. This box is locked but we ask that you please don't leave cash in this. This mailbox is emptied every evening.

~ Church Contributions ~

With the increase in concern over the spread of COVID-19 and with added precautions for everyone in Nova Scotia, the Diocese of Antigonish has added a menu item called **DONATE** to the Diocesan Website for those who wish to contribute to their parish of choice. Clicking on this main menu item **DONATE** to the top right of the Home Page of: www.antigonishdiocese.com will enable them to contribute. The diocese will send weekly cheques to any parishes that receive donations online. **ALSO**, for our Tri Parish parishioners who may want to keep up to date with their contributions you may do so by mail to our post office box or **E-TRANSFER** to pat3catholic@gmail.com. The funds we receive will pay our operating expenses immediately. **For the amounts received during the week please check the individual church news section.**

Baby Bottle Campaign:

As many of you are aware, we were in the middle of our baby bottle campaign when Covid-19 hit. Thanks to those who got their bottles to me. For those who still have them, could you please return them to Mass anytime and leave them at the back of the church. Thank you --- Clarence for the Knights of Columbus.

A friendly reminder that refundables are being accepted for the Emilini Project to help build a new orphanage for 160 children. Bottles and cans may be dropped off to the St. Andrew's parish garage or the South River Petro-Canada (specify project). Thanks for your support.
